# ART PROJECTS FOR KIDS

## WARM HANDS PROJECT

### COLOR DEFINITIONS

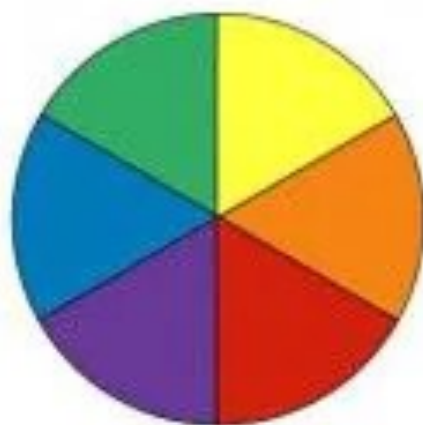

**PRIMARY COLORS.** The 3 basic colors: Yellow, Red and Blue.

**SECONDARY COLORS.** The 3 colors that are made when mixing the primary colors together: Orange, Purple and Green.

**WARM COLORS.** Yellow, Orange and Red.

**COOL COLORS.** Purple, Blue and Green.

**COMPLEMENTARY COLORS.** Those that are opposite on the color wheel: Yellow and Purple, Orange and Blue, and Red and Green. Complementary colors brighten one another by maximizing contrast.
